Twenty years ago two weeks before their intended wedding day tragedy tore Megan Brooks and Alec Black apart. They haven't seen each other since. Someone has been watching them, though and attacking the members of the would-be bridal party. Megan knows she must confront her past to find answers. But coming home means facing Alec, now the sheriff of Whisper Lake, Maine. He's the last man Megan wants to see again yet he's the only one who can keep her safe when the killer comes for the bride.
