

## Dirty Deeds (A Likely Story)

An Eye for an Eye As owner of Dirty Deeds, a tech-savvy company specializing in the age-old art of revenge, Eden Smith knows first-hand that secrecy is critical. But when a dead body washes up on the shores of Lake Michigan clutching her business card, Edens well-constructed world begins to fall apart. Apparently, shes not the only one with a passion for payback, and staying alive to outsmart a killer has become her most important job of all. A Game for a Game Hardened homicide detective Kelly Riordan is convinced Eden Smith is hiding more than shes willing to admit. Years on the force have taught him that nothing is what it seems, and that couldnt be truer than when it comes to investigating the alluring owner of a revenge-for-hire business. But revealing her past could put everything Eden has worked for in jeopardy. And trusting a man like Riordan goes against the very instincts that have kept her alive this long.
