

## Dirty Tricks (Burke Brothers)

After witnessing an endless string of late nights, long tours, and eager groupies her world-famous father could never resist, Chelsey Young knows the dirty truth behind the glamorous facade of the rockstar life. Which is exactly why she takes hot-as-hell guitarist Kye Burke to bed when he decides he wants her. One night. That's how rockstars roll—unless your name is Kye Burke. The quietest of all his brothers, Kye's style has never really been pumping and dumping, so pursuing Chelsey isn't a hard choice for him. The hard part is keeping hold of the girl who's hotter than the Sahara one minute then so cold even Antarctica wouldn't touch her the next. The fact that he's about to leave for L.A. to record the newest Dirty B album doesn't work in his favor, either. A long-distance relationship is the reason Chelsey's parents divorced, and she's sworn them off completely. But Kye didn't get where he is by giving up, and even if it's the fight of his life, there's no way he's giving Chelsey up. Contains mature themes.
