

Dirty Talk: A Mechanics of Love Novel

When the one you shouldn't want is the one you can't resist Brent Payton works hard, plays hard, and has earned his ladies man reputation. But he's more than just a good time, even though no one seems to see it. Until a gorgeous brunette with knockout curves and big, thoughtful eyes walks into his family's garage and makes Brent want more. Ivy Dawn and her sister are done with men, all of them. They've uprooted their lives too many times on account of the opposite sex, but that's over now. The plan seems easy until a sexy, dirty-talking mechanic bursts in Ivy's life and shakes everything up. Brent can't resist the one person who sees past his devil-may-care facade, and Ivy finds it harder and harder to deny how happy he makes her. But she has secrets of her own and when the truth comes out, she must decide if she'll run again or if she'll take a chance on forever.
