

A Very Dirty Wedding

Im marrying a dirty, arrogant prick...and Im having his baby. Caulter Sterling is the tattooed, pierced bad boy I used to hate. Now, hes cockier and filthier than ever. And now that Im knocked up, this bad boy cant keep his hands off me. Its going to be a very dirty wedding. What could possibly go wrong when you combine a crazy ex, a celebrity mother, paparazzi, and a runaway ring-bearing monkey? Did I mention the bride in labor? Im totally screwed. *This is a sequel NOVELLA follow-up to Prick and is NOT a standalone! Please read Prick before reading this book! Note that the 782 page count on this book is not accurate -- this is a 30K novella*
