

## Disciple, Part VI

Two years ago, Kate was a peasant girl who only wanted to serve the saints of her kingdom as a healer during the war. Her gifts led her to cross paths with the crown prince and a neer-do-well knight they shifted the path of her life and of the entire war. All three of them paid a steep price for having met. Kate spent a cold winter alone, re-forging her strength out of a deeply broken heart. She's ready, as an elect, to stand beside her saints and go to war in ways no peasant girl could have dreamed. She needs answers, she needs absolution, and she needs to discover what she's truly capable of.
