

Salvage Rights (Distant Worlds Book 2)

A Distant Worlds Story Found on an abandoned salvage with no memory of who she is or how she ended up there, she becomes the salvage claim that powerful men will kill for. A truthsayer and a genetically tampered with Bruha, she has one chance to escape sexual slavery to a tyrant. ...His Brother. Lucan Warring rules his pirate moon with an iron fist. Feared by even the most dangerous men in the galaxy, he is one of the few men who Cor Warring would not dare to challenge. Unless the prize was sweet enough. But, even if he can protect Danika from his despot brother...who will protect her from Lucan? This book is a stand alone novel that can be read alone but is part of a larger series.
