

Divine Destiny

Life long friends, Lilly and Karen, are co-owners of a world renowned Bed and Breakfast in Louisiana. Along the way, life has brought many joys and heartaches to these women but their greatest adventures are yet to be. When John Worthington walks back into Karens life, the love between them is as strong as it was when he left for Vietnam thirty years earlier. Was it pure coincidence that brought John back into Karens life or was it Divine Destiny? This is the story of true friendship between two women, the faith they share, and the power of the love they have for their family and friends.
