

The Alphas Incubus (The Alphas Human Book 2)

Kyle Kyle sometimes has to pinch himself, hes so happy. Life with his alpha is perfect. Cade is hot like burning, playfully dominant, and the way his face lights up when he looks at Kyle makes Kyles heart feel like its going to burst. He should have known it was too good to last. When disaster strikes, Kyle finds that his wonderful dream has turned into a nightmare -- and he cant tell Cade. Cade Cade would do anything for his mate. Whether that be fighting off a rival wolf or wearing a button down shirt to meet the parents, Cade is on board. All he wants is for Kyle to be happy. But being willing to do anything for your mate is of little use when you dont know that your mate needs help. Will Cade realize that Kyle needs him before its too late? This is the second book in the Alphas Human Series. It features a cute accountant and a dominant alpha werewolf who wants nothing more than to claim, love and cherish him forever.

*** Kyle rolled out from underneath Cades heavy weight and smiled at the ceiling. He turned his face to watch the heaving body at his side, admiring the alphas pumped muscles and perfectly smooth skin. They were in bed, the sheets pushed down to their feet, basking in the afterglow of some truly amazing sex. Cade turned his head and returned Kyles gaze, eyes crinkling at the corners as his mouth widened into a grin. He reached out and pulled Kyle in under his arm, a pleased rumbling sound coming from deep within his chest as he manhandled Kyle into position. Kyle rested his head on Cades chest, feeling the alphas heart beating against his ear. Cade was wonderfully hot, his skin covered in a fine sheen of sweat, and he smelled amazing. He was so attractive Kyle almost didnt know how to handle it. So what brought that on? Cade asked, his fingers stroking up and down Kyles arm. Not that Im complaining or anything. No reason. Kyle twisted so that

he was lying on his side, half draped over Cades massive chest, one leg slung over Cades thigh. He lifted his hand and let it rest on Cades pec, and rubbed a finger up and down over the alphas nipple. He loved playing with Cades body. Just knowing that he was allowed to touch and grope and feel to his hearts content was enough to make his chest feel warm and fuzzy. Cade let out a little growl and batted Kyles hand away, capturing his wrist in a tight grip. Kyle shuddered, his breath hitching, and Cade flashed his teeth in a devilish grin.
