

Submitting Three Times: Taken by the Triplets

Scarlett is already late for her best friends wedding, so a flat tire is the last thing she needs. When Jace Handy of the Handy Brothers Auto Shop finds her on the side of the road, he offers to help, even though she's short on cash. But Scarlett will soon discover that in this stretch of desert, favors don't come free and that Jace isn't the only one at the auto shop in charge. The Handy triplets didn't build their business on handouts, and in exchange for their help, they expect Scarlett to submit to their demands not once, not twice, but three times. Submitting Three Times is not a romance; it's a short story about a girl stranded without a way of paying her mechanics for the car repair she needs. Check the sample for a preview of what's inside. It can be read as a standalone with an ending. 18+
