

Fear of Striking Out

Shortstop Tate James has been traded from the all-American town of Milwaukee to the trendy City of Angels. Pink hair, manscaping, dogs in purses... not his thing. This ball player is less than excited about his new hometown. That is until he crosses paths with beautiful Mia Tomko. She lets him know that not all L.A. women are just after fame and fortune. As Tate and Mia find that their interest in each other isn't the only thing they have in common, neither are prepared for what their future holds. When someone from both of their pasts arrives, will it tear them apart or make them closer?
