

Unbeloved (Undeniable Book 4)

Warning: This is not a conventional or predictable love story. It involves one woman and two men bound by a love so destructive it spans two decades, pitting brother against brother, and shattering the lives of those touched by it. Dorothy Kelley is a born romantic, searching for her prince. Instead she finds herself pregnant at fifteen, and in a loveless marriage by the tender age of eighteen. Then hope comes riding into her life on a motorcycle and within weeks, Jason Jase Brady, a member of the Hells Horsemen motorcycle club, sweeps Dorothy off her feet. But nothing is ever simple for Dorothy. Jase is married with children. And as Dorothy patiently waits for Jase to give her the happily-ever-after she's been dreaming about, James Hawk Young, a member of the Hells Horsemen with secrets of his own, sees an opening into Dorothy's life and takes it. What follows is a long and painful journey of self-discovery and forgiveness, as Dorothy comes to realize that home was exactly where she'd left it, and the love she'd forever craved had always been within her reach. This is the story of Dorothy, Jase, and Hawk. We are all born pure; it is our journey that burdens us and leads us astray. Our mistakes that beat us down and cover us in guilt and shame, burying us a little more with each passing hardship. It is up to us to dig ourselves out, to come to terms with our faults, to embrace not only our imperfections but those of the ones we love, and to once again find the path we strayed from. Praise for the UnDeniable Series: I have never been so beautifully uncomfortable than when reading the Undeniable Series. I didn't just feel while reading them. Madeline Sheehan set every single emotion within me on fire with a blowtorch. S.L. Jennings, New York Times and USA Today best-selling author In an untouchable league of her own, Madeline Sheehan has created a riveting tale of ugly,

forbidden love turned beautifully right. Heartbreak, grief, and finding strength and healing through family is the foundation of this emotional saga. A single breathing entity working in tandem against the cruelty that is their world, every character in the Undeniable Series will become a piece of you, embedding themselves into your thoughts for years to come. Gail McHugh, New York Times best-selling author
