

Caribbean Dream (Summer Weddings Book 2)

Angela Russell takes first place in a contest and wins a Caribbean vacation. Brad Drake takes second place and wins one, too. They meet on a sunset cruise and discover they're both teachers from the same small town. Brad is new in town from New York and teaches high school, while Angela teaches middle school. Angela and Brad fall in love and want to marry, but when their parents meet, ghosts from the past emerge. Will the wedding they plan on heart-shaped Magens Bay in St. Thomas, one of the Virgin Islands, happen, or will it be just another Caribbean dream? Second book in the Summer Weddings Series but may be read as a stand-alone and has a definite conclusion. You will find the characters from books one and two meet in Key West for yet another wedding on the beach in the third book and lives are changed. Book one is Cocoa Beach Dream. Book two Caribbean Dream. Book three Key West Dream.
