

Uncovered (Dark Romantic Suspense) (Boston Buyers Club)

Calla Hart just needs the money. She doesn't want anyone to get hurt. She wants to go to class, party with friends, and pay her bills. But when she agrees to go with a friend to an audition she is quickly pulled into the underground world of escort services, where money talks but secrets cost more. Once you're in the club, there's no getting out. This book is NOT appropriate for readers under the age of 17. If you don't like sexy men in business suits, or beautiful women with strong personalities then you probably shouldn't read this either. This is the COMPLETE series. All four books in one little package.
