Ruths private investigator is all but certain that ranch owner, Matt Kincaids, adopted daughter, Annie, is Ruths own little Beth. But Matts the maverick in a powerful family of lawyers and politicians, so even though she manages to land the job as nanny to Matts willful, six-year-old daughter, Ruth must tread carefully. However, Ruths carefully laid plans go awry when she finds herself falling in love with the man who might have stolen her child.
AUTHORS NOTE: Although JUSTIFIED DECEPTION takes place on the Kincaid Ranch in Southeast Oregon, 6-year-old Annie will grow up to marry one of the six sons from my DANCING MOON RANCH SERIES. In CROSS PURPOSES, which is Book 7 of the series, 21-year-old Annie Kincaid butts horns with Ryan Hansen, who has hired on at the Kincaid Ranch.
ADDITIONAL NOTE: The books in my Dancing Moon Ranch series are intended to be read in sequence as each book moves forward in time, the series spanning thirty years and two generations. I invite you to check out my Dancing Moon Ranch Family Album. In it my 13-book Dancing Moon Ranch Series is illustrated with over 600 full-color photographs depicting the ranch and all the characters in the series, including books not yet released. Youll also see what it was like during the missing years in the series, when the children of the characters in Books 1-3 (the heroes and heroines of later books in the series) were growing up on the ranch.
