

Kitty and the Dead Mans Hand (Kitty Norville Book 5)

HONEYMOON IN VEGAS? Already the alpha pair of Denvers werewolf pack, Kitty and Ben now plan to tie the knot human-style by eloping to Vegas. Kitty is looking forward to sipping fru-fru drinks by the pool and doing her popular radio show on live TV, but her hotel is stocked with werewolf-hating bounty hunters. Elsewhere on the Strip an old-school magician might be wielding the real thing; the vampire community is harboring a dark secret; and the irresistible star of a suspicious animal act is determined to seduce Kitty. Sin City has never been so wild, and this werewolf has never had to fight harder to save not only her wedding, but her very life.
