

## A Hunters Passion (Mills & Boon Nocturne Cravings)

Ryker Bennett has dedicated his life to hunting down and eliminating creatures of the dark. But his latest assignment has him questioning everything he's ever believed in. Jenna Sinclair may be a witch, but she's also the only woman Ryker has ever loved. Jenna thought leaving Ryker two years ago would save him from having to choose between their forbidden love and his sworn duty. But when he tracks her down, it's clear the desire between them burns as hot as ever and that they'll have to walk through the flames to be together.
