

Centauri Chaos - the Collective Saga A Sci-Fi Romance (Volume 3)

The final day was at last approaching. After a thousand years of brutal war and strife, of unimaginable pain and anguish, the reckoning was here. Nicole would stand to face that ultimate judgment. She would find out if all she had sacrificed had been enough - enough to release her from her soul-searing pledge. She could finally - wholly and fully - pledge herself to Jon. But there are many who crave control over the balance of power - and they would risk anything to seal the lovers fate. Nicole must surrender all she holds dearest to see her vow through to its bitter end. * * *
