

## Ripped: A Shattered Hearts Series Novel (Volume 7)

Adam Parker, sexy surfer with a heart of gold, is back to tell his story in RIPPED, a spin-off novel from the New York Times bestselling Shattered Hearts series. Adam has had his heart ripped out before. But there's nothing he and Lindsay haven't been able to overcome. Nothing that could tear them apart until now. After seven years of competing, Adam is at the top of his game in the surf world. But troubles at home have forced him to consider retiring earlier than expected. With the possibility of a final competition in his future, the pressure is on Adam to perform; to leave on a high note. Long hours practicing at the beach only causes more turmoil between him and Lindsay. Until finally, the stress reaches a boiling point and someone gets burned.
