

Fenturi Fate (Spacestalker Saga Book 1)

An ancient enemyThe Ragil Horde has returned after a millennium to the Legion Star System. Intent on destruction and death, they are advanced in every way and cannot be stopped. Yet an ancient prophecy states that a special Fenturi can power the Legions only defense against the Hordes superior firepower.A bitter warThe Bylaran civil war has pitted Bylaran settler against Fenturi native for over three centuries, until the Fenturi are all but obliterated. Garen, fierce captain of the Bylaran Legionnaires, has been charged by the king to find the Fenturi champion. Not an easy task with the Fenturi nearly extinct. A love to save them allDare doesnt know how special she is. She has more than enough reason never to trust a Bylaran though. Destined to work together, Garen and Dare struggle to overcome their prejudices and pain-filled pasts in a race against time to stop the Horde. In the process, the two do more than save their worlds. They save themselves with a love brighter than Starfire.
