

## Spring Training (Mustangs Baseball) (Volume 5)

After months of frustrating failures, Todd's relationship with Brooke is teetering on the edge of self-destruction. Entering into a full-time Master/slave lifestyle without proper instruction was a mistake he's determined to correct, so, after arranging a training program at home for Brooke, Todd heads to Arizona with the Mustangs for some Spring Training of his own. Overwhelmed by her lessons, and suspicious as to what her master is doing, Brooke pulls a disappearing act on her instructor, showing up in Arizona to find the Mustangs Training Camp isn't the only workout Todd is receiving. The training is brutal, but with the help of Mistress Lola the couple learn to live the lifestyle they've chosen.
