

The Star Princess (Star Series) (Volume 3)

ALibrary Journal Best of the Year pick! Shes a brash, fun-loving filmmaker. Hes a stuffy, arrogant prince. But when they get together, sparks are royally going to fly... Ilana Hamilton isnt an adventurer like her pilot mother, or a diplomat like her do-right brother; shes a brash, fun-loving filmmaker whod rather work behind the camera than be a paparazzi target in front of it. Star princess or not, shes a perfectly normal, single woman and prefers to stay that way until Prince Che Vedla crashes into her life. When the sexy royal asks for help sowing his wild oats, Ilana is happy to help. But fall for Prince Charming herself? Not a chance! Che is too stuffy, too arrogant, and too old-fashioned. But the charming Prince Che has other plans. When he sweeps her off her feet, Ilana sees stars, and the higher he takes her, the more she wants to fly with him. But can she go along for the ride without worrying about where they might land?
