

Tremontaine: Season One Volume One

Welcome to Tremontaine, the prequel to Ellen Kushners beloved Riverside series that began with Swordspoint! A Duchess whose beauty is matched only by her cunning; her husbands dangerous affair with a handsome scholar; a foreigner in a playground of swordplay and secrets; and a mathematical genius on the brink of revolution when long-buried lies threaten to come to light, betrayal and treachery know no bounds with stakes this high. Mind your manners and enjoy the chocolate in a dance of sparkling wit and political intrigue. Originally presented serially in 13 episodes, this omnibus collects installments 1 through 7 of Tremontaine Season One into one edition.
