

Dragon Warrior: Dragon Wars - Book One

A man without a past. A woman without a future. A world destroyed by monsters. All that's left is hope. In Rain Mauris post-apocalyptic world there are no shades of gray to survival. Until she meets a Dragon Warrior and discovers nothing is as simple as it seems. Together, Rain and the Dragon Warrior must uncover the truth behind the nightmare their world has become. Their quest will put them in the crosshairs of a ruthless enemy, but with her determination and his skill, they might just save their race from destruction. If they can save each other first.
