

Vodka Dreams (Distilled Love) (Volume 1)

What happens when you wake up in a strange house, in a dark room, bound to a bed? Lucy should be afraid, but she's been dancing with the devil a lot lately, and this just seems like her final act. She's ready to face her demise, until she sees him. Dallas claims to be her self-proclaimed savior, but can his intense love and devotion mixed with his lifestyle be enough to drag Lucy out of her self-induced Vodka Dreams? Can they, together, help her heal from years of abuse? Can Lucy let go of the past enough to find her grip on the future? Determined to try, she puts her trust in Dallas and discovers how feeling truly loved can heal a wounded heart and how making love can heal a wounded soul. Join Lucy as she discovers a woman she thought was dead long ago and the man that loves her.
