

Fated (Servants of Fate Book 3)

Aislin Ferry and Jason Moros have only days until they will be called to account before the Keepers of the Afterlife. Yet as they race to restore order and make their case, their worlds fall into total disarray. Mutiny within the fractured Ferry family threatens Aislin's hold on power and role as Charon. Meanwhile, the fearsome Lord of the Kere has family trouble of his own. Someone is unraveling the fabric of fate, and Moros suspects one of his supernatural siblings is behind the terrible bid to unleash Chaos. Now unlikely allies, Aislin and Moros each need the other to escape the wrath of the Keepers. As the stakes rise, it becomes clear that protecting their respective empires is not the endgame. With the fate of all humanity dangling by a thread, Aislin and Moros must surrender completely to one another if they are to fight their common enemy. And as time runs out, someone must make the ultimate sacrifice.
