

## If I Were Your Woman (Mills & Boon Cherish)

After a messy affair threatened her career as a publicist and ruined her self-esteem, Stephanie Moore swore off mixing business with pleasure. But when her work as the public relations manager for Pause for Men day spa brought her up close and personal with a sexy photographer, Stephanie was torn. She vowed never to mess with a married man again. And yet, her powerful attraction to Tony Washington, who she suspected was wed, had her rethinking her newfound scruples. Should she put the past behind her and enjoy the loving interest of her handsome, hardworking, new beau? Stephanie would need the advice of her Pause for Men partners to help her sort out her moral dilemma.
