

Edge of the Heat 2 (Volume 2)

Emma and Craig fought so hard for their love, and came together at the end of book 1, against all the odds. Now Emmas heart is sunk at the very real chance that Craig will be taken from her for good, either by nature or by design. Can Emma win him back in time for him to care about saving her when her ex-husbands evil plans land her tied up in the back of an RV speeding to Mexico?
