

## El Optimista Tenaz/The Tough-Minded Optimist (Spanish Edition)

In the last decade, we have had to face more serious problems than ever before -- personally, nationally, and globally. With so much seemingly needless pain and destruction in the human race, we need greater inner strength (to be Tough-Minded Optimist) to remain hopeful, to avoid cynicism and despair. El mundo moderno es duro y sus numerosos males pueden ser debilitadores. Con tanta violencia, dolor y destrucción aparentemente sin sentido, se necesita mucha fortaleza interior para superar el cinismo y la desesperación y seguir alimentando la esperanza en el futuro. Gracias a la cuidadosa guía del doctor Peale, puede alcanzar la felicidad, la serenidad y la seguridad necesarias.
