

## Elven Desires (Lovers of Legend)

Alexandra is of elven nobility with responsibilities and privileges, but all she wishes to do is visit the woods of her ancestors for some peace and quiet. One day her ride is interrupted by the appearance of a human man who offers to lead her back to the far-away estate of her father after her horse throws her. She grudgingly accepts and learns that the humans family has an ancient contract with her father, one that holds more than just land as a thank-you for past services rendered. Elven Desires is a sensual stand-alone short story in the Lovers of Legend series. The series features romances between mortal women, and gods and men of legend.
