

Embrace the Hunt (The Blood Rose Series) (Volume 8)

A powerful vampire warrior. A beautiful fae of great power. A war that threatens to destroy their love for the second time. Mastyr Vampire Ian never wanted to see Regan again. He blamed her for the massacre at Ravens Overlook, an attack that killed his sister and her children. He's convinced Regan enthralled him, using her extensive fae powers to keep him by her side. If he'd been in his realm that night, he could have saved 200 people. Instead, he was caught up in a passionate affair with the woman known as the Ruby Fae. However, when the enemy abducts Regan, Ian goes on the hunt for her. Finding her trapped behind a wall of mist, he helps her escape the Ancient Faes fortress. Reunited, old passions run hot once more, but will the past keep him from embracing the woman he's loved all these years? Regan never stopped loving Ian even though they'd dated several centuries ago. But he'd always blamed her for the terrible events at Ravens Overlook. When she feeds him from her vein and learns she's a blood rose, she's devastated. Ian hurt her badly in times past by making her a scapegoat. But when she's forced to work alongside him to help battle the deadly Invictus wraith-pairs, her love for him rises once more. Yet, can she ever trust him again, when he swears she enthralled him that fateful night? Don't forget to scroll back up and grab a copy of EMBRACE THE HUNT today!
