The demon is strong, sexy, and kind-hearted. Everything a man could want in a woman. After he appears in her camera lens, it's an instant attraction and doesn't take long to realize he belongs to her. When Elias steps into the picture, Sarah must fight the urges he stirs inside her. She can't believe fate has given her two mates. Now she is faced with a decision. Choose the one who promises nights of passion and undying love, or the other who can only offer her his broken heart.
