

The Pearl (Galactic Jewels Book 1)

The Hunger Games are over. Divergent is no longer a choice. Ender is in charge of galactic relations. Heroes are a daily occurrence in every galaxy. Until Lily. As the last human, she is nothing like we expected and everything we need. We have no way to stop her. And no way to save her. She is The Pearl. Book 1 of 5: The Pearl Lily spent a decade training to be The Pearl. One final date with an ineligible Samarian and then she can announce her decision to mate the Hemperklu in the 642nd Union. First Assignment as the new leader: trade routes through the Pai Galaxy. But the Samaritans have a surprise. One that changes everything. The Pearl is a sci-fi romance adventure and the first book in a 5-part series releasing throughout 2016. Follow Jen for updates. Pre-order for book 2 coming soon. Releasing March 2016. Advanced praise for The Pearl: Firefly meets Memoirs of a Geisha Im already excited for this series. This totally reminds me of Inara from Firefly. Love it.
