

End Of The Line

Businessman Perkin Hoyt is a victim of the great recession and a long trail of bad luck. He can't even get an appointment, much less a loan, from the bank where he's conducted business for the past thirty years. Meanwhile, across town disbarred attorney Alfie Costello purchases a hot laptop in a midnight parking lot transaction. Alfie sells the laptop the following morning to handyman Christy Keenan. Unfortunately for Christy the laptop comes with all sorts of attachments; schemer and scammer Dallas Gornik, the inept Lewis brothers, hitman Morris Carney and crabby retired priest Father Owen Gillings. An insane journey of comic ineptness and gonzo plans eventually joins Perkin and Christy as two of the more sane individuals in another one of Mike Faricy's bizarre worlds. It's truly the End of the Line, the question is for whom? Nonstop fun all along this enjoyable, page turning tale. A must read!
