

End Times Overcomers - Introduction

Tribulation Prepared Warriors The Great Tribulation, described in Revelation is beginning, yet the Christian Church is sleeping, unaware of what is happening. Presently the Church is experiencing a great falling away, which is described in prophecy, and scripture says there will be a great harvest, before the return of Christ! There is such an abundance of false teaching and misinformation, and confusion, accepted as truth. This is not a rehashing of religious preconceived biased teaching, but a different approach from a Messianic Hebrew roots perspective, with the Feasts of the Lord directly connected to the first century Christian Church. (Revelation 2:26-29) And he who overcomes, and keeps My works until the end, to him I will give power over the nations-- He shall rule them with a rod of iron; They shall be dashed to pieces like the potters vessels-- as I also have received from My Father; and I will give him the morning star. He who has an ear, let him hear what the Spirit says to the churches. The content covered in this book may not fit many of the preconceived beliefs accepted by some Church groups, but it will definitely open your awareness and understanding of truth. The subjects addressed in Book One are: The difference between Gods wrath, and tribulation, and how it applies to spiritual refinement, why do people feel that what they believe is truth, what is the rapture of the Church and when will it happen, what is the mark, or seal of God, a major paradigm shift is taking place, and who really are the 144,000 Israel.
