

Enthrall Him (Enthrall Sessions Book 3)

This is the reward of the forbidden. This is the ecstasy of Enthrall. Billionaire Cameron Cole is the one in control. He makes the decisions of both pleasures and punishments. He is the ultimate master. Owner of L.A.s preeminent BDSM clubs, Cameron has yet to relinquish the all encompassing control of his submissive, twenty-one year old Mia Lauren. Mias training unlocks a maelstrom of passion. A powerful connection. An unpredictable result. Her uninhibited journey intensifies by the day, but there are new complications on the horizon. A powerful rival of Camerons has emerged with a relentless desire to make Mia his own. Lance Merrill has the means and the will to take what he believes is his and bring down an empire in the process. Mia is taken by Cameron to London for her protection. Her obedience will be tested in ways she could not have foreseen. Richard Sheppard, her former master, has decided its time to take her back. Will Cameron give her over? Or will the choice be hers? In the rousing third novel of the renowned Enthrall Sessions, author Vanessa Fewings guides her readers through the uncharted territories of raw passion into the most heated corners of the human heart. This is true obsession. This is the time for Mia to Enthrall Him.
