Sacrificed to Dragons... The complete series the Dragons Virgin Tribute bundled together in one volume! Erotic Romance featuring sexy dragon-shifters. Kiss of Flame The Kingdom is suffering - burned and ravaged by a marauding dragon. There's only one way to stop it. Soon after her eighteenth birthday, virginal Princess Lily is offered as a tribute. Tied to a stake in a burned village, she is carried off by the magnificent beast. But what she doesn't realize, is the dragon doesn't want to make a meal of her - he wants her as his mate. The last of his kind, Nalranith the dragon needs to breed. In both his dragon form, and human form, he takes the girl and uses her body, showing her unexpected ecstasy. And Princess Lily finds destiny in an unlikely place. Spark of Desire Every hundred years, a king's daughter is sent to fulfill a pact with the dragons. Princess Faith has been raised with one purpose in life - on her eighteenth birthday, she will be tied to a stake on a hill and left as a tribute to the dragons. She will breed with them, helping to replenish their race. But headstrong Faith hasn't quite accepted the idea. After an ill-fated escape attempt, she is caught by a dragon in his human form - Inaeth, her intended mate. In Inaeth's lair, she must learn her lesson and her place. What she doesn't expect is the desire he awakens in her. Bride of Dragons After thousands of years of interbreeding with human women, a female dragon has been born. Small and weak and more like a human than a dragon, Princess Ylissa is nonetheless the only hope for her people's future. She has been locked away, kept pure, awaiting her coming-of-age and dreaming of her wedding night, when she will finally meet her handsome consort. But when the long-awaited night comes, all of her romantic notions are thrown out the window, when she learns that not one, but three dragon lords have been chosen as her mates.
