

El vikingo (Spanish Edition)

Antes fueron los Highlanders. Ahora, los nuevos heroes de la novela romantica son los Vikingos. Brage Norwald nunca ha perdido una batalla, y cuando decide invadir la costa sajona no espera otra cosa que celebrar una victoria. En cambio, sufre una aplastante derrota. Gravemente herido, es tomado prisionero. Cuando esta al borde de la muerte, una acerrima enemiga acude en su ayuda, despertando en el una atraccion que lo dejara indefenso. Dynna esta prometida al cruel y calculador principe Edmund, y ve la oportunidad de huir junto a Brage. Ambos emprenden camino a traves de la campina sajona, y pronto deberan enfrentarse a una pasion mutua que podria proporcionarles mas de lo que jamas osaron sonar o destruir sus vidas para siempre.
