

Espresso For Your Goals: A Concentrated Energy Boost for High Achievers Who Know the Secret to the Law Of Attraction

If you have read books about how to set goals, and are ready to learn how to accomplish goals, then this is the goal setting book for you. Espresso For Your Goals is concentrated, powerful, and effective, just like the espresso its named for. * Achieve the next level results that you know you are capable of. * Combine Law of Attraction perspectives with logical, consistent actions that supercharge your results. * Re-energize your goals with a powerful success blueprint that you create for yourself. Espresso For Your Goals turns ideas into results by fueling your goal setting process with the momentum of undisputed accomplishments and clear, methodical actions. In fact, this book gives you a goal setting blueprint that you create for yourself. It is a step-by-step method to accomplish your highest ideal desired results. This powerful and concise book condenses and aligns the most potent goal setting aspects of accomplishment into a simple but highly effective system for high achievers and deliberate creators. It takes the time-tested tools of successful accomplishment (Deliberate Thought, Goals, Affirmations, Persistent Action and Gratitude) and helps you re-energize them through alignment and a next-level understanding of The Law Of Attraction. This is not entry-level goal setting, or LOA101. Espresso For Your Goals is written for those who already accomplish at good or excellent levels in their lives, and are ready to excel into the realm of outstanding performance. Written in a concise and clever style, Espresso For Your Goals is a pleasure to read and the advanced system it provides is a powerful method for updating your goal setting program and transforming your application of The Law Of Attraction into that next level of accomplishment that you know you can rise to. How this goal setting book was born: The author, Les Goodrich holds a BSBA Degree from The Florida State

University College of Business where he completed a double major in Management and Marketing. He served as an operations manager for Starbucks Coffee Company for over seven years, before leaving in 2014 to pursue his writing career full time. His work on advanced goal setting and achievement led to his development of the Espresso For Your Goals system, which became the basis for this amazing book. The Espresso For Your Goals system helps people achieve their highest goals by tying gratitude to actions and fueling certainty with personal results.
