

Plan Your Estate: Everything You Need to Know to Protect Your Loved Ones, Property & Finances

The most comprehensive-- yet easy to read -- guide to estate planning on the market! Plan Your Estate covers everything from the basics of wills and living trusts to sophisticated tax-saving strategies. The authors give you straightforward, plain-English explanations of every significant estate-planning option available, so you can make the best decisions for you and those you love. The book covers:

- *wills
- *probate and how to avoid it
- *living trusts
- *property-control trusts
- *naming guardians for children
- *leaving property to children
- *estate taxes and how to reduce them
- *living wills (health care directives)
- *financial powers of attorney
- *final arrangements
- *strategies for business owners
- *and much more.

The 8th edition is completely updated with the latest federal and state laws, and now covers ethical wills -- a new way to pass on values, beliefs and important personal experiences. Good for all states except Louisiana.
