

Fatal Intentions (A Deadly Alchemy novel) (Volume 2)

After the destruction of Michel, fellow Alchemist, Sarah, remained behind with Amelia. Marcus, a vampire who has risen through the ranks, is plotting a hunting exposition; hunt down and destroy all other supernatural creatures in the world. Along the way, Marcus inadvertently meets Sarah and discovers through her, he has a way into her world...a way to Amelia and the pack. He plans to use Sarah to his advantage, but what he didnt count on, what he did not see coming, was Sarah capturing more than just his attention. With the test of wills, can Marcus hold true to his plans and keep his intentions with Sarah? Will Sarah be able to tell truth from lies and keep herself, and her friends, safe? When intentions become fatal, death could follow around any turn.
