

Caged Desire: A Shapeshifter Romance

Passion takes flight... When a mysterious wooden crate is delivered to her door, Eve Blake is intrigued by the massive golden eagle inside. She's all too familiar with creatures being more than they appear, yet nothing prepares her for the shapeshifter's true form. Suspecting the dangerous immortal was locked away for a reason, Eve is reluctant to release him, no matter how fiercely she craves his touch. Wrongfully imprisoned, Logan has spent half a century plotting his revenge against those who condemned him to spend eternity in a South American rainforest. But with one look at the alluring female who holds his freedom in her hands, vengeance quickly becomes the farthest thing from his mind. But even if he can win her trust and her heart, his past won't let him go without a fight. **Warning:** Contains a fierce Shapeshifter hungry for freedom and the tempting woman who may hold the key to his heart. **Praise for Caged Desire:** The plot moves at a fast, intriguing pace, so much so, that I was drawing to the dramatic conclusion before I knew it.
