

The One Real Thing (Harts Boardwalk)

The New York Times bestselling author of *On Dublin Street* is back with the first in a sexy new romance series set in a small town on the Delaware coastline. Welcome to Hartwell, a quiet seaside escape where uncovering old secrets could lead one woman to discover the meaning of a love that lasts. While Doctor Jessica Huntington engages with the inmates at the women's correctional facility where she works, she's always careful to avoid emotional attachments in her personal life. Loss and betrayal taught her that lesson long ago. But when she comes across a set of old love letters in the prison library and visits the picturesque town of Hartwell to deliver them to their intended recipient, she finds herself unable to resist the town's charming attraction to the sexy owner of a local bar. Cooper Lawson has focused on what really matters: his family and the boardwalk pub they've owned for generations. But the first time Jessica steps into his bar, Cooper is beyond tempted to risk his heart on her. Yet as their attraction grows hotter and Jessica remains stubbornly closed off, he begins to realize it will take more than just passion to convince her there's only one real thing in life worth fighting for.
