Download your copy today! Kindle Direct Publishing and your Road to Riches A lot of new authors, internet marketers, and publishers will tell you that Kindle Direct Publishing or KDP is simple, easy, and profitable. You can earn at least \$3,000 per month (thats just the beginning) even if you dont have the talent to write a good book, dont own a website, and/or no money to fund the publishing of your book. However, what you will need is a lot of

patience and some knowledge in searching for the right niche before writing your book. This eBook will teach you everything you need to know about the most profitable track to take in self-publishing. Never publish a book on a whim; timing is important to ensure success of your endeavor. Getting to Know Kindle Direct Publishing Kindle Direct Publishing is a quick, free, and easy way for authors to publish their work worldwide. You need to come up with a good book (and niche) that your target readers would notice. It is also important that you follow the recommended format of KDP. Before you can publish your digital text content, the writings in digital electronic format in your computer (could be in plain text, word doc, and other word processor format), you need to sign up for a free account. Once you have an account, it is easy to add a new book under your name. After creating your account, and you have the material you need to publish, you can now fill in the title, authors name, book description, upload your cover and digital text, set the price, and publish your book.
