

Romance: Wanted by the Highlander Bear (a BBW Historical Paranormal Romance) (Heroes of Shifter Creek Book 5)

SHIFTER ROMANCE Kendell Proctor is being hunted. Needing a break from the rowdiness of the big city, she goes glamping with her friends, but fun turns to terror when she is chased deep into the woods by a pack of wolves. Trapped within a rocky enclosure, she knows the wolves will win, until a burly brown bear comes to her rescue, saving her with his colossal strength. The bear is Dermott O'Donnell, a Scottish-born businessman with big bucks to his name. Billions, actually. He's tired of the city life. Whenever possible, he takes refuge in the country mansion he keeps in the woods, but his home feels empty. Then Kendell arrives. She's his sexy, curvy mate, and he'll do anything to protect her from the wolves that stalk her. While she sleeps safely in his home, he begins a hunt of his own. But Kendell is keeping a secret. She hasn't been entirely truthful with Dermott. To save him from her fate, she leaves, returning to the woods as the wolves draw closer. Dermott has sworn to protect her, but when he learns of her betrayal, he must choose to trust her again, or they both will lose more than they realize.
