

Wild Wolf (Paranormal Shapeshifter Romance) (Black Mesa Wolves #4)

Book 4 in the bestselling BlackMesa Wolves series! Cowboy Tate Bardou is a successful horse whisperer with a star-studded client list. Hes also a sweet heartbreaker with a panty-melting smile. As a dedicated Black Mesa Wolf Pack Guardian, his days have meaning and purpose. Despite his content life, something essential is missing from his soul. And damned if he can figure out what it is--until he meets stunning, half-wild Claire and everything falls into place. Wild wolf Claire Amarok lives by her sharply honed instincts, leading a fiercely guarded solitary existence. Growing up without a pack, she was raised to believe they inhibit freedom. But an independent wolf leads a lonely, precarious life. Then she meets Tate, and her untamed heart is finally captured. Tate, however, is undeniably bound to his Pack--and Claire will never submit to their restrictive rules. Yet when a dangerous wolf from Claires past returns, Tate and his bewitching wild wolf must join forces. Otherwise, they risk losing everything...especially what matters most to them both.
