

Eye of the Storm: Book Two of the Storm Series (The Storm Series) (Volume 2)

Evie Taylor loves her life in Boston, running her bookstore and cafe, but an accident has made it so she needs to return home to take care of her grandmother. With extra time on her hands, she decides to start looking for the monster that haunts her best friends nightmares. A chain of events starts no one could see coming. When the last person she ever expects shows up and rings her grandmothers doorbell she finds herself in the middle of danger. Bound together in a common mission, theyll search the world looking for answers. But can they find them in time or will they end up paying the ultimate price?
