Amelie is a guest of her newly-wed friends, Larry and Cristina Garville. When ghostly sounds wake her, she decides to investigate tales of a haunting. What she finds is a living, breathing Roland Bentley. Heavens, but her poor heart can hardly survive another meeting with this man! Why does he prowl around, spying on her as if he suspects her of dastardly doings? And what are the strange noises that continue to shatter the night? Amelie must get to the bottom of things or true love won't have a ghost of a chance.
