

Found by Love (Falling for Him Book 8)

Attention: This book was formerly called Destroyed Dreams, if you have already read it, you shouldn't be able to buy it again. Marilee Lee Taylor is a bitter, young, divorce attorney who no longer believes in happily ever after and would gladly support an initiative to make marriage illegal. Rocco Cooper has allowed life to defeat him. A bad relationship has taken all of the fight from him and he's allowed his dreams to slip away. When the two meet, the sparks fly. The only thing they have in common is their dislike of all things relationship oriented. Can they find common ground? Is the concept of love dead or has it just been buried beneath the circumstances of their lives?
