

Falling For A Redneck

Can his fiery touch melt her frozen heart? He's a bad boy who has done the time for his crimes and is trying to go straight. She was betrayed by her ex and hides behind anger to cope. They are complete and utter opposites, who don't just attract, they explode. Will their past be what brings them together, or ultimately tears them apart? Swearing off men after her husband leaves her for another woman, Marissa turns to domination as a form of anger management. But Marissa doesn't dominate for pleasure. She does it to cope with her anger and pain. Until a certain redneck moves in next door. A run-in with the law, not to mention two little boys, have made Dirk see the light. He's cleaned up his act and is determined to stay away from trouble, but how can he ignore the ice princess next door who makes him want to light a fire in her perfectly creased pants? The more she pushes him away, the more he's determined to have her in his bed and arms. He just never expected her to win over his heart.
